To whom it may concern,

I am the current owner of the property located at 5273 N. Dort Hwy, Flint, MI 48505. The property is positioned in Genesee County.

GLR Advanced Recycling has agreed to lease the property from me contingent on approval from the Township Board and the State of Michigan.

I am aware that GLR plans to use this property to recycle automobiles, and that all state and township laws will be followed while each vehicle is processed and recycled.

I will fully participate in any hearings, or special needs from the township in order to move forward and expedite the process of getting GLR approved by all parties involved.

If anything further is needed from me, please contact me at your convenience and I will be happy to help.

Regards,
